### FRAMING SELECTION

### WALL ART

**METAL PRINTS**  
With durable metal, luxurious printing techniques and included metal wall mount, metal prints add a cool, modern touch to your space.

**Choice of finish**

- High Gloss  
Brilliant high gloss surface that shows every detail.
- Matte  
Flat satin finish that makes colors appear more vibrant and produces a non-glare photo.

**TRADITIONAL CANVAS**  
The canvas is wrapped around a wooden frame with part of the photo visible on the sides of the frame

**MOUNTED**  
A lightweight alternative to framing! Your print is mounted on 3/16" rigid black gatorboard.

- Lustre  
Lustre is a premium finish on a heavier paper. It offers the vibrant colors of glossy with the fingerprint-resistant finish of matte. Printed on Kodak Supra Endura paper.
- Metallic  
Rich, distinctive metallic look with a huge WOW! factor. Printed on Kodak Endura Professional Metallic paper

**ROLLED CANVAS**  
Rolled canvas print with extra canvas to allow for later framing

### FINE ART PRINTS

**Printed on prestigious Hahnemühle paper.**

**Choice of finish**

- Photo Rag  
The 100% cotton rag paper will bring out stunning depth in both B&W and color photographs. The fine, smooth surface and heavy weight ensures your prints will last and look incredible.
- Torchon  
Meaning "coarse structure," this bright white paper with a special surface texture can perfectly capture the original beauty of a dated picture, keeping your photos timeless.
- German Etching  
Featuring a distinct texture surface with a handmade quality, the white, 100% alpha-cellulose paper is a top choice for intaglio, etching, lithography, and drawing.
- Bamboo Paper  
The world's first digital fine art inkjet paper made from bamboo fibers, is particularly complimentary to warm-tone color and monochrome prints

**PAPER PRINTS**  
Standard and Custom Sizes

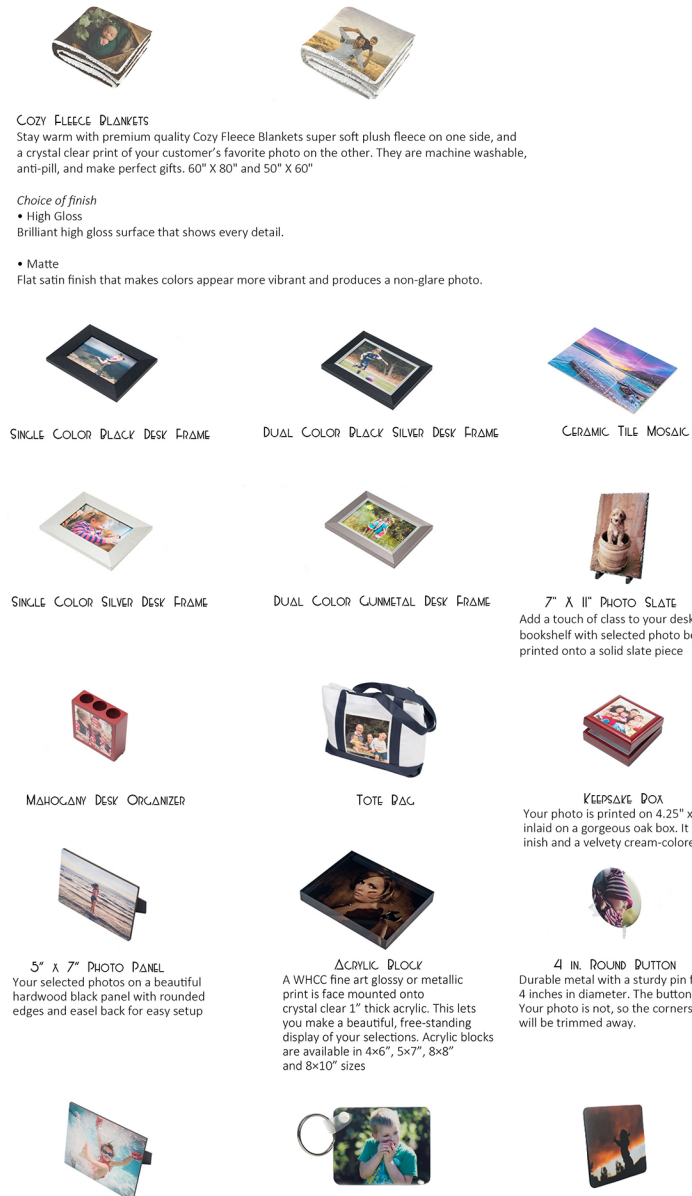

**Choice of finish**

- Lustre  
Lustre is a premium finish on a heavier paper. It offers the vibrant colors of glossy with the fingerprint-resistant finish of matte. Printed on Kodak Supra Endura paper.
- Glossy  
Glossy is a shiny finish and prints appear brighter than Matte. Printed on Kodak paper.
- Matte  
Matte is a more muted finish, and prints will appear darker than Glossy or Lustre. Printed on Kodak Edge paper.
- Metallic  
Rich, distinctive metallic look with a huge WOW! factor. Printed on Kodak Endura Professional Metallic paper

### DESK ART

**FLAT METAL**  
With durable metal, luxurious printing techniques and an included easel back, metal prints add a cool, modern touch to your space.

**Choice of finish**

- High Gloss  
Brilliant high gloss surface that shows every detail.
- Matte  
Flat satin finish that makes colors appear more vibrant and produces a non-glare photo.

**CURVED METAL**  
Modern semi-circle design that allows the print to stand on your desk or shelf without the need for mounting hardware or an easel. Recommended for landscape-oriented pictures

**ACRYLIC BLOCK**  
A WHCC fine art glossy or metallic print is face mounted onto crystal clear 1" thick acrylic. This lets you make a beautiful, free-standing display of your selections. Acrylic blocks are available in 4x6", 5x7", 8x8", and 8x10" sizes

**ACRYLIC PRINTS**  
These prints take a WHCC fine art glossy or metallic print of your photo and face-mount it onto 1" of clear acrylic for a striking presentation suitable for any wall in your home. Prints come in sizes from 8x8" to 40x40"
